

Online Assessments and Grading Strategies

an Arts ISIT Workshop

ASIF SAMI HAQUE, Educational Consultant

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Arts

Agenda and Learning Objectives

By the end of the workshop, you will become familiar with how to:

- Efficiently grade Canvas Assignments using Speedgrader
- Using tags to group students
- Create diverse assessments on the Canvas Learning Management System
- Provide feedback to students
- Use the Canvas Gradebook and its filtering options to see student performance

Technical Demo

New Quizzes vs Classic Quizzes Question Types

There are 4 question types that can be produced in a Canvas New Quiz that cannot be made in a Classic Quiz:

1. Categorization
2. Stimulus/Passage
3. Ordering
4. Hot Spot

Learning Objectives

I am able to:

- Efficiently grade Canvas Assignments using Speedgrader
- Using tags to group students
- Create diverse assessments on the Canvas Learning Management System
- Provide feedback to students
- Use the Canvas Gradebook and its filtering options to see student performance
